

# T-FAB FOLDING ADJUSTABLE BENCH

SKU: T-FAB

PRODUCT DESCRIPTION

The T-FAB features 7 easy and secure ladder style adjustment positions for flat, decline, and incline workouts. Semi-Commercial grade 2" x 3" steel construction ensures durability and support for the heaviest of workouts. Built-in wheels make transport quick and easy, and a pull-pin allows the bench to completely fold up for storage and easy carry.

- No assembly required
- 7-position back pad for flat, incline, and decline
  - Folds flat for storage
  - Transport wheels

T-FAB is an upgrade of another [popular model](#) with the following improvements:

- Thicker and bigger paddings
  - Thick frame
  - Easy lock design
  - More stable
