

HARD FOAM PLYO BOX - 50X60X75CM

SKU: 0049E-2

PRODUCT
DESCRIPTION

3 Plyo Boxes in one!

Can be used as a 20", 24", 30" (50cm, 60cm, 75cm) Plyo box simply by flipping over to the side which has the desired height shown.

Features:

- Very Heavy which makes it stable (30kg)
- Made of hard foam which is better for the knee
- PVC covers prevents slipping and makes it easier on your skin & your shins on missed steps
- You do not have to worry about dirt & footprints as PVC covering allows you to wipe clean the box quickly & conveniently

No Assembly required.
