Sold individually with 2 Carabiners per Uclip

How it works

Barbell clip:

- 1) Hook the handle
- 2) Slide the barbell through the holes
- 3) Start your workout!

Quick Hook:

- 1) Clip a carabiner to either D ring on the Uclip
- 2) Clip the carabiner to your attachment (dip belt, Bandbell, cable...)
- 3) Hook the handle
- 4) Get working!

Barbell grip/belt clip:

- 1) Clip a carabiner to each D ring on the Uclip
- 2) Clip your grips or belt to the carabiners
- 3) Hook the barbell shaft
- 4) Get lifting!
