SKU: RVJF-10721BKBT

KINOMAP COMPATIBLE

Run real-world routes
and take on challenges

CONSOLE APP

The perfect partner
for your treadmill

PRODUCT DESCRIPTION

JET 300 SERIES TREADMILL

Featuring a powerful 2.5 HP motor, the Jet 300 is built for total home performance. Reaching 20 kph across 15 incline levels, the 300 offers all the tools to push your limits on every run. Fitted with a 7 window LED display and hand pulse sensors, the console shows detailed performance feedback with built-in speakers to power your run.

Compatible with the Reebok Fitness App

2.5 HP Motor - 20 KPH Max. Speed

6 Window LED + Profile Chart

15 Power Incline Levels

Quick Speed & Incline Keys

Air Motion Cushioning

MP3 Input with 5W Speakers

QUICK ADJUST CONTROLS

Quick adjustment buttons (speed/incline) are conveniently located at the handles for easy control of the treadmill.

15% INCLINE CONTROLS

Reduce impact on your joints and burn more calories with incline training. Take the deck up to 15 percent incline with just the touch of a button.

ANTI SLIP SIDE RAIL

Large anti slip foot pads prevent accident by allowing users to get out of the treadmill safely.

AIR MOTION CUSHIONING

Air Motion Cushioning transfers air between its eight pods to offer support where it's needed.

FOLDABLE

Soft drop hydraulic folding mechanism allows quick and easy space-saving storage.
