PU BARBELL PAD

SKU: K6099C

PRODUCT DESCRIPTION

Core features:

• 3cm padding
• Helps Protect Neck, Chest And Shoulders
• Slip-Resistant Support: Securely attach this high-density foam barbell squat pad to your barbell to prevent slippage. The added PU leather enhances grip and provides a durable surface for comfortable workouts.
• Durable PU Leather Surface: Unlike animal leather, our PU leather is incredibly durable and won't crack or peel. It also adds extra grip and a premium feel to the top of the pad.
• Easy to Clean: Simply wipe down with water and a microfiber cloth for effortless cleaning.
• Comfortable Polyfoam Padding
• Fits Standard 1 in. Bar and 2 in. Olympic Bar
