PRODUCT DESCRIPTION

Get a full-body workout with the toughest Flat to Incline/Decline Bench available! The **Force USA** Flat to Incline/Decline Bench (F-FID) is heavy duty and fully adjustable to give you a solid workout! The **Force USA** Flat to Incline/Decline Bench is made to take as much as you can give it and is the ultimate bench for a complete free-weight workout!

Solid, compact and effective, the **Force USA** Flat to Incline/Decline Bench is strong enough for gym use, while designed to fit into any home. Featuring **SteelForce™** Structural Integrity and heavy-duty, **DuraCore™** high density foam padding wrapped in sewn rip-stop **VorTex™** Upholstery, the **Force USA** Flat to Incline/Decline Bench is built to take a pounding. And, with a "Class A" rating, the **Force USA** Flat to Incline/Decline Bench comes with a Lifetime Structural Warranty. The **Force USA** Flat to Incline/Decline Bench is unmatched in its class and will give you solid and intense workouts for many years to come!

The **Force USA** Flat to Incline/Decline Bench is a solid unit and provides free weight exercises to build a rock solid body! The back rest features two piece **DuraCore™** high density foam which is extremely comfortable and will not bottom out during your workout, along with fully adjustable back rest you can workout in flat to incline (85 degrees) and decline positions which will help give you many exercise positions for rock solid results! Combine with a power rack, smith machine or squat racks for the ultimate workout!
