ALL IN ONE GYM

- Power Rack
- Smith Machine
- Functional Trainer
 - Dip Station
 - Core Trainer
- Equipment Storage

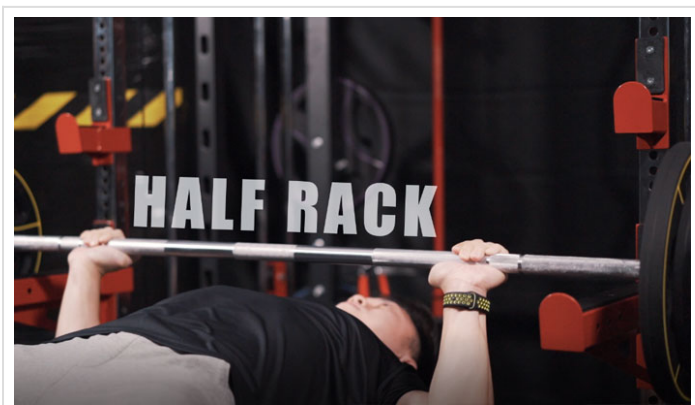

01 SMITH MACHINE FUNCTION

Go heavy on it without having to worry about safety, With the Dual safety smith hooks, now you can grind at the comfort of your own house.

02 DUAL ADJUSTABLE PULLEY FUNCTION

Quick and easy pop pin functional adjustment, equipped with handle for 1 handed operation. Functional trainer weight holders are angled upward ergonomically and have removable sleeves to carry Standard or Olympic sized weight plates.

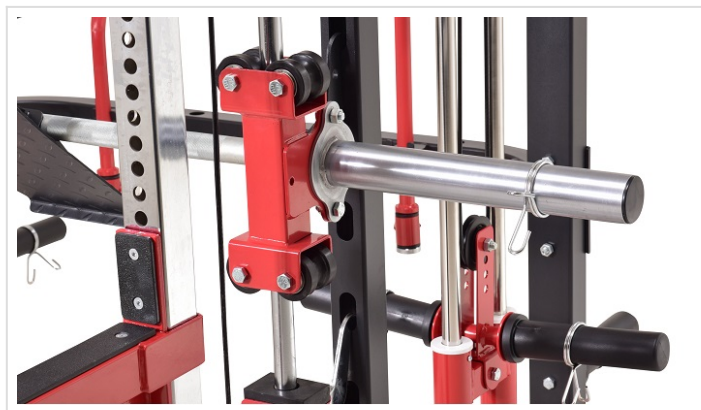

03 HALF RACK FUNCTION

04 FOAM ROLLS

Comes with 2 x J hooks and 2 x Safeties catches for use with Standard or Olympic barbell.

Use it for holding the body down when performing lat pulldown.

05 EXTREME CORE TRAINER ACCESSORY

Use with olympic bar for pressing or rotation exercises. Pair with T bar handle for rowing exercises. Can be removed with not in use.

06 QUAD-GLIDE ROLLERS

The smith machine, powered by Quad-Glide rollers system, is ultra smooth, quiet and maintenance free, putting conventional bearing smith bar to shame.

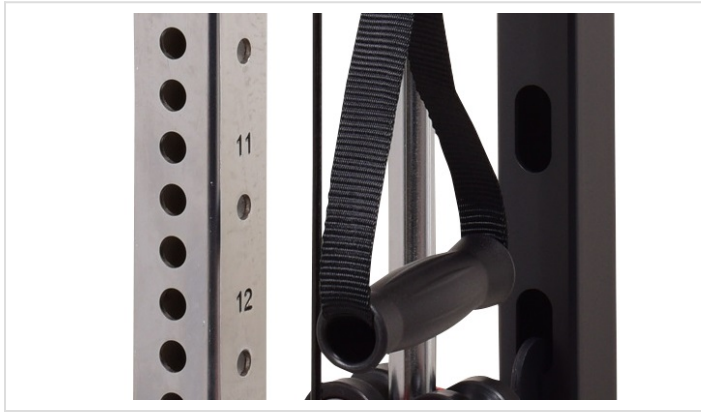

07 MULTI-GRIP CHIN UP BAR

Multiple grips to target different muscle group and add variety to workout.

08 ACCESSORIES

Attachment accessories included such as curl bar, long straight bar, 2 x handle straps, tricep rope, triangle handle, straight bar and ankle strap. Storage holder on the G8 to keep your training space tidy.

09 LASER ETCHED NUMBERING AND WESTSIDE SPACING

Achieve the perfect lift-off and safety position with its Laser-cut westside hole spacing. An incredibly useful feature for precise placement of J-Hooks and half rack spotter arm without impeding your range of motion.

10 LONG SPOTTER ARMS

Go heavy on it without having to worry about safety with the spotter arm of 42cm length which is longer than most other models in the market.

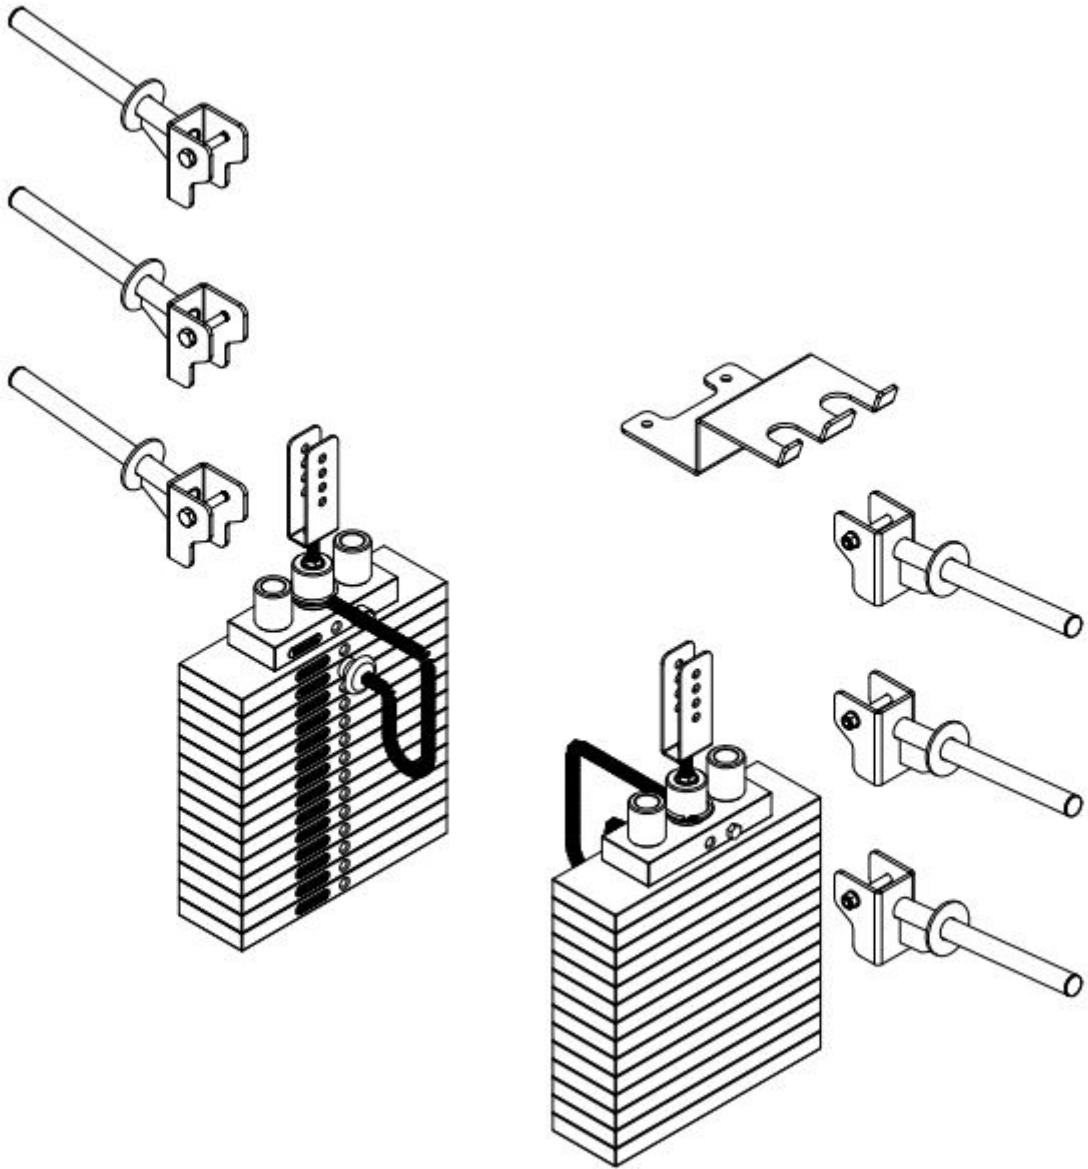

11 STORAGE HOLDER

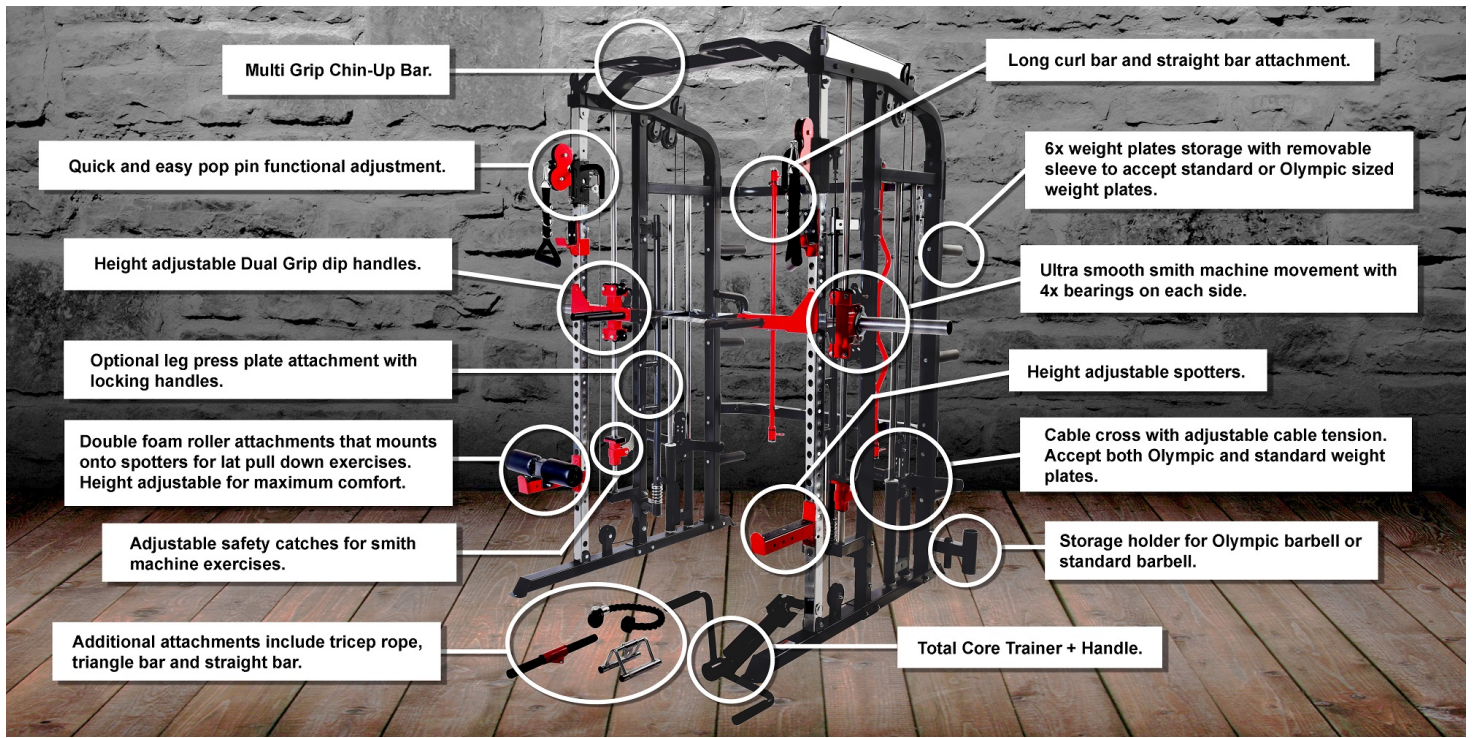

6 x Weight plate storages with removable sleeve to accept either Standard or Olympic sized weight plates. 1 x barbell holder for standard and olympic barbell.

12 NEW: 2 x 90kg weight stacks upgrade

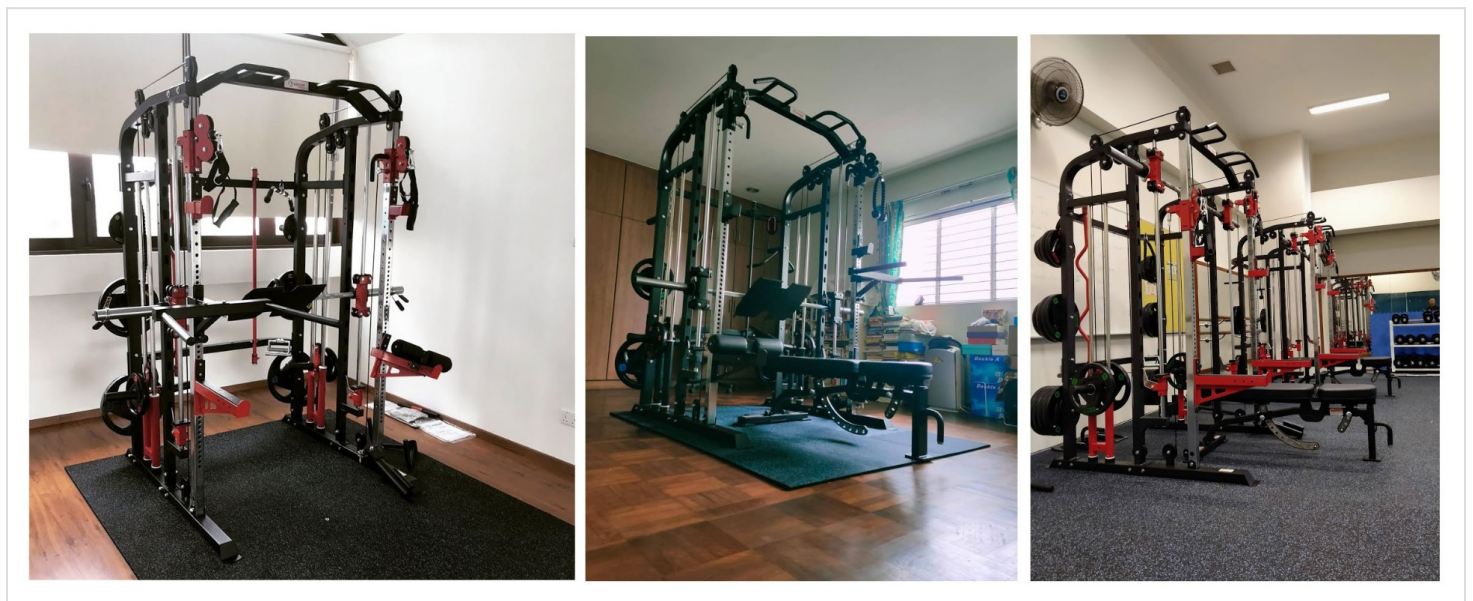

- Change the default plate loaded design to 2 x 90kg weight stack
- Side facing weight storage upgrade, which makes it easier to load and unload
 - Additional barbell holder included
