# NO.1 USA SELLING BRANDS

**Men's Health** **POPULAR SCIENCE**  
**SHAPE RUNNER'S**

Get your cardio training going in the comfort of your own home with the ProForm Performance 375i Treadmill. Featuring a 2.0 chp drive system it can quickly deliver speeds between 0-18kmph at the touch of a button. The Digital incline control allows for the incline of your run to be adjusted between 0-10%. The 5" backlit iFit display helps you track your runs while the iPod compatible audio speakers allow you to play your favourite music throughout your run. ProShox cushioning helps take the stress of a long run out of your feet and shins for better recovery and the EKG grip pulse helps you track your heart rate so you know when to go harder and when to ease off.

## 01 2.0 CHP DurX™ MOTOR

The 2.0 CHP Motor features dual fans that cool internal components while running for less noise and vibration, while superb insulation and a built-in grounding brush ensure the motor performs with quiet reliability mile after mile.

## 02 ONETOUCH™ CONTROLS

Quick, responsive controls adjust your speed and incline in seconds at the touch of a button. Keep your focus on your workout, instead of scrolling through options.

### 03 PROSHOX™ CUSHIONING

The spacious Tread Belt features ProShox™ cushioning, designed to reduce impact up to 28%, provides both a supportive running surface and excellent joint protection.

### 04 0-10% INCLINE

Reduce impact on your joints and burn more calories with incline training. Take the deck up to 10 percent incline with just the touch of a button.

### 05 HEART RATE MONITOR

Stay in your target heart rate zone with the CardioGrip™ heart rate monitor. Sensors are built into both handlebars for a quick, accurate reading.

### 06 46CM X 127CM TREAD BELT

Stretch out your stride with this roomy commercial tread belt. This tread belt will withstand any type of training you need to beat your personal record. It grips and moves with you for a comfortable, natural run.

## 07 SPACESAVER® DESIGN

Innovative technology helps you lift and fold the deck up and out of the way.

## 08 20 BUILT-IN WORKOUT APPS

Reach your weight-loss goals fast with workouts designed by a Certified Personal Trainer. Each workout will help you burn maximum calories with preset speed, incline and time settings.

## 09 INTERMIX ACOUSTICS® 2.0 EQ SOUND SYSTEM

Enjoy rich, powerful performance with this built-in sound system, featuring 2" high-excursion drivers—delivering incredible clarity, while reproducing a sweeping range of audio frequencies.

## 10 BACKLIT DISPLAY

Perfectly clear and easy to read, this backlit display has a large viewing angle so no matter how tall or short you are, you can always keep track of your workout progress. It displays your speed, time, distance, pulse and calories burned.

## ABOUT PROFORM

Proform is one of the most popular brand of fitness equipment in the world. It is sold in more than 70 countries in the world. Several reputable outlets have many good things to say about Proform fitness equipment. Foremost among them is Runner's World, one of the largest communities of runners online.

Proform is owned by Icon Health & Fitness, a company located in Logan, Utah. Icon Fitness is the largest manufacturer of fitness equipment in the world and owns other popular brands such as NordicTrack, FreeMotion and Gold's Gym.

## PRICING

Why is there a big price gap between equipment sold in USA and Singapore?

Being their Singapore distributor, we are subjected to a higher price when we bring in the products. This is the reason why our prices are closer compared to other countries like Canada, UK, Australia.

However, we offer Free Assembly which is a value added service which no other Proform agents provide.

## RESEARCH AND DEVELOPMENT

**Proform's mission is to be the world leader in home fitness equipment!**

To achieve this goal, over \$15 million dollars are invested in research and development each year, more than any other home fitness equipment manufacturer.

What makes Proform products unique? Innovation and Technology.

Combined with over 25 years experience in listening to the consumer and feeding new ideas to the development team, Proform products stand out amongst the competition with advanced features and ergonomics.

The final phase is incorporates both real life and mechanical testing to ensure the products are sturdy, intuitive and comfortable to bring you the results and quality you expect.

Proform continues to refine and improve their products to ensure that they are always at the forefront of innovation, allowing Proform to consolidate its position as leader in the fitness market.
